EPICS Collaboration Fall Meeting 2020

Monday, October 19, 2020 - Friday, October 23, 2020

Fritz-Haber-Institut

Scientific Program

Organisation&Remarks

Organization, opening and closing contributions, welcoming and motivational speeches

EPICS for Beginners

Overview of the possible applications of EPICS and use in smaller experiments. A demonstration will introduce the implementation of EPICS.

EPICS for Industries

A special vendor day to show the possibilities of EPICS in the industry. Also that it makes economic sense to use open protocols, file formats and interfaces.

EPICS base

Innovations to EPICS base (EPICS 7), control structures, application possibilities etc.
